Dear Mr. Weisberg

the material enclosed may be helpful. I hope so.

if anything requires amplification, please let me know & I will try to do so.

it looks like the criminal conspiracy calling itself the national gov. is coming unstuck along with the American empire.

I think the killing of JFK is the watershed for both. from the looks of things malcolm X was right: "the chickens are coming home to roost."

thanks for your long efforts to get the truth out & flay the chickens in.

Best
Ace R. Hayes
